

# Level of Care Determination Tool (LOCD)

## Inactive LOCD Completed waiting for LOC/MA

If a beneficiary LOCD is created and the LOC 02 segment for the corresponding time is not complete with your Nursing Facility NPI/PID, and does not get added within 180 days, the LOCD will show an operational status of “Inactive”. **Do NOT** recreate the LOCD tool. [Email](#) or contact Provider Support at 1-800-292-2550 with the application ID # to correct the LOCD.

Application ID	Member ID	First Name	Last Name	Completed By Entity ID	Completed By Entity Name	LOCD Created On Date	Modified Date	Qualifying Door	LOCD Start Date	LOCD End Date	Review	LOCD Method	Program Type	Created By User	LOCD Application Status	Operational Status
						06/29/2016		1				Face To Face Review	Nursing Facility		LOCD Completed - Waiting for LOC	Inactive

If a beneficiary LOCD is created and the Medicaid Eligibility is not present for the corresponding time period and does not get added within 180 days, the LOCD will show an operational status of “Inactive”. **Do NOT** recreate the LOCD tool. [Email](#) or contact Provider Support at 1-800-292-2550 with the application ID # to correct

Application ID	Member ID	First Name	Last Name	Completed By Entity ID	Completed By Entity Name	LOCD Created On Date	Modified Date	Qualifying Door	LOCD Start Date	LOCD End Date	Review	LOCD Method	Program Type	Created By User	LOCD Application Status	Operational Status
						02/04/2016		1				Face To Face Review	Nursing Facility		LOCD Completed - Waiting for MA	Inactive

the LOCD.

Note: All LOCDs that were converted to “inactive” waiting MA or LOC will never update via the nightly batch, please submit to Provider Support for review.
